

Department of Geoinformatics

University of Kashmir, Srinagar- 190006, J & K

Dr. Irfan Rashid

Associate Professor & Head

4-8-2026

NOTICE

The Department of Geoinformatics is pleased to organize an Extension Lecture by the eminent geophysicist Prof. Vinod K. Gaur, former Director of the National Geophysical Research Institute (NGRI), Hyderabad, and an Honorary Scientist at CSIR National Institute of Data Science and AI. Prof. Gaur will deliver a lecture on "**Learning the formation of dramatic landforms from simple laws of physics**" on 5 August 2026 at 10:00 AM in the Department of Geoinformatics Classroom. Prof. Gaur has made pioneering contributions to the fields of geophysics, seismology, and Earth system sciences. His distinguished academic career and extensive research experience promise to provide valuable insights into the lecture topic and foster engaging discussions. All interested faculty members, research scholars, postgraduate students, and participants are cordially invited to attend the lecture and benefit from this academic interaction.

A handwritten signature in blue ink, likely belonging to the Head of Department.
