Prof. Shakil A Romshoo

Professor and Head,

No. F (CoE-GeoIT)/KU/20

1 December, 2020

INVITATION

Subject: Inauguration of Centre of Excellence in Glacial Studies established by DST under Climate Change Programme at the University of Kashmir

The inauguration of the Centre of Excellence in Glacial Studies established by DST under Climate Change Programme at the University of Kashmir is scheduled on 4 December, 2020 at 12.00 PM. The Secretary, Ministry of Science and Technology, Govt. of India, who is the Chief Guest of the Function has agreed to inaugurate the CoE through video-conference. The Inauguration is being attended in person and online by a number of dignitaries from JKUT and GOI. Vice-Chancellor University of Kashmir would be host of the Function.

The Inaugural function of the CoE shall be held at the National Ice-core Laboratory, Department Of Geoinformatics, KU on 4 December at 12.00. P.M. All the Faculty members, staff and Research Scholars of the Geoinformatics Department are therefore invited to attend the Inauguration of the CoE as per the given schedule and venue.

Prof. Shakil Ahmad Romshoo
Head of the Department
