

Name: Mustafa Hameed Bhat

E-mail: bhat.muzzaa34567@gmail.com

Supervisor: Prof. Shakil Ahmad Romshoo

Co-supervisor (if applicable): Nil

Research Area: Cryospheric Studies

Research Interests:

- Glacier Inventory (Area changes, topographical influences)
- Glacier velocity estimation (Remote sensing and Field based)
- Glacier mass balance (Remote sensing and Field based)
- ELA and AAR estimations
- Glacier thickness changes (Field based-GPR)

Publications (if any):

ISG Conference:

Understanding the glacier dynamics in the Chenab basin, Jammu and Kashmir India.
