

Name: Ummer Ameen Shah

E-mail: umaramin20@gmail.com

Supervisor: Professor Shakil A. Romshoo

Co-supervisor (if applicable): -Nil-

Research Area: Glacier Dynamics.

Research Interests:

- ❖ Glacier mass balance (field as well as remote sensing based).
- ❖ AAR and ELA estimations.
- ❖ Glacier thickness estimations.
- ❖ Glacier Inventory.

Publications (if any):

Sediment Yield Estimation for Developing Soil Conservation Strategies in GIS Environment for the Mountainous Marusudar Catchment, Chenab Basin, J&K, India.

ISG Conference:

Observing topographical controls over Glacier recession of Nun Kun group of Glaciers, Western Himalayas, J&K.
